## New Member of our Sundowner's Club!

We are pleased to welcome the 212th member of our renowned and prestigious Sundowner's Club on 13 February 2009. Our latest member is Mr. Colin MacPhail from Teekay Shipping (Australia), who attended the vessel Orana, his fifth time as Superintendent in our shipyard. After receiving his personalized Sundowner pewter mug from Mr. Simon Kuik, General Manager (Operations), Mr. MacPhail promptly served all guests at the bar counter, keeping in line with our Sundowner's tradition as part of the celebration!

## Mementos for Good Jobs Done!

In the first quarter of 2009, we are pleased to witness several exchange of mementos with our customers, commemorating not only successful refits but also the close teamwork and friendships cultivated. These included a series of vessels for our Alliance and FCC partners and customers from the niche markets of passenger ships and naval vessels.
