

Europa

The pride of hapag-Lloyd, the 200m long *Europa* has made several visits to Sembawang to carry out a variety of work packages from internal renovation work to machinery repairs. Sembawang has successfully collaborated with Lloyd Werft Bremerhaven on the *Europa*, enabling the 33,819 ton cruise vessel to meet her tight cruise itinerary. The prompt delivery is testimony of Sembawang's excellent project management skills in ensuring a smooth and timely repair.
