

Seabourn Spirit

One of Cunard Cruise Line's five-star cruise liners, the 9,975 grt Seabourn Spirit is a regular visitor to Sembawang Shipyard since December 1992. In her latest drydocking, major refurbishment work was carried out which included the installation of verandahs in 36 suits on Deck 5 and Deck 6. Other work included the overhaul of port and starboard stabilisers, hydroblasting, cleaning and painting and the overhaul of port and starboard fresh water generators.

The new look Seabourn Spirit sailed from the shipyard on schedule to continue its luxurious cruise in exotic Asia.
